Subject: **SECOND QUARTER 2005 STATUS REPORT FOR
EXXONMOBIL OIL CORPORATION SERVICE STATION #18-LLD
4715 VAN NUYS BOULEVARD, VAN NUYS, CALIFORNIA
(LAFD PERMIT #9691; FACILITY ID #29788)**

Dear Ms. Toney:

On behalf of ExxonMobil Oil Corporation (ExxonMobil), Holguin, Fahan & Associates, Inc. (HFA) is pleased to present the second quarter 2005 status report for the above-referenced site. The report presents a summary of the activities completed during the second quarter of 2005 and the activities planned for the third quarter of 2005.

During the second quarter of 2005, HFA submitted a site assessment report dated April 8, 2005, documenting the results of the installation of groundwater monitoring wells MW-1 through MW-3. The second quarter 2005 groundwater monitoring event was performed on June 15, 2005.

During the third quarter of 2005, HFA will conduct a quarterly groundwater monitoring and sampling event.

Based upon the detection of dissolved-phase hydrocarbons, HFA respectfully requests that the LAFD review the above-referenced site assessment report, and transfer jurisdiction of the case to the California Regional Water Quality Control Board - Los Angeles Region.
